CATALANO
Sistemi per vivere il bagno®

MUSE

Designed by Matteo Thun and Antonio Rodriguez for Italian company Catalano, Muse draws on a form of classicism in tune with the present. The concept of larger and deeper washbasins were inspired by Rome's fountains, its soft lines enriched by a hint of the past whilst the voluminous shapes highlight the flawless Catalano quality. The Muse collection has already won numerous international awards such as the Grand Design Award and the DesignPreis.
