# SCOOP SOFT

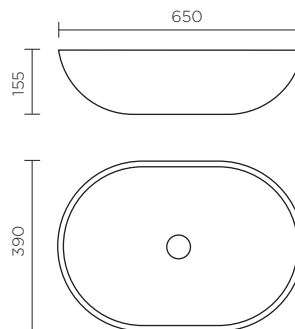

The seductive Scoop range from Italian company Falper, designed by Michael Schmidt, enriches its collection with a freestanding pedestal basin and mirror. Manufactured in Italy using Cristalplant, an innovative composite material similar to natural stone, this collection is now further enhanced by its new 'soft-touch' finish in black. The black painted exterior, with its soft, rubbery feel, adds a textural element to the already sophisticated Scoop sculpture.

## SCOOP SOFT TOUCH FREESTANDING BASIN

**652142** | Cristalplant

- > Black exterior
- > No overflow
